

# YOUR INVITATION TO SING

Join your local community choir

## “Our Voice”

A non-auditioning, all embracing choir, singing pop, gospel, musical numbers and classics!

“Our voice” is open to anyone who has a disability, long term health condition, their carers, family and friends.

Singing in harmony is like aerobics for the soul – a really fun, feel-good, stress busting affordable activity.

Why not give it a try? **JUST SHOW UP AND SING!**
